PREVIOUS MINUTES APPROVED BY: Cheryl Bean, 2nd by Julia Robinson

PUBLIC COMMENTS: None

FINANCIAL REPORTS: given by Paul Quarneri

We have \$121,626 in our savings and \$46,932 in our operating account. We received a \$2,100 bill for weed abatement. And after corresponding with Small Comm, who broke our water main in July, responded to our invoice for repairs that they deny responsibility due to the location of the water line regardless of the fact that they didn't use a VAC truck as explicitly instructed to do so.

OLD BUSINESS:

Infrastructure Repairs Update: The county yard fixed a water leak that was on their side of the water meter. Planning on fixing the leak in our driveway before the rain comes.

NEW BUSINESS:

None

OPERATIONS: given by Steve Silva

Trenchless Co. came out on 9/9 and scoped approx. 300 feet of sewer line out of the 500 feet. They located a piece of collapsed pipe; Steve will contact Brad Purcell about repairs. Going forward we'd like to do an annual hydro of this line for regular maintenance.
